HDS Telephone Directory

Fall 1982

HE2311:

EMERGENCIES

IN THE EVENT OF AN EMERGENCY REQUIRING POLICE ASSISTANCE, I.E., FIRE, BOMB THREAT, ACCIDENT, THEFTS, ETC. THE GSA FEDERAL PROTECTIVE POLICE CONTROL CENTER SHOULD BE IMMEDIATELY CONTACTED AT THE FOLLOWING NUMBER:

472-1111

FIRE

Fire alarm boxes are located on the corridor walls of the buildings occupied by Departmental Headquarters offices. Each employee is expected to know the location of the alarm box nearest their office. If possible, after activating the fire alarm box, a report should also be made to the GSA Control Center at 472-1111 giving particulars. Fires can also be reported by calling the Control Center in the event an alarm box is not readily accessible.

EVACUATION PROCEDURES

Gongs, bells or public address systems are used to signal a building evacuation.

When an evacuation alarm is sounded employees should immediately take the following action:

Close all windows.

Turn off electrical appliances.

Secure all classified matter.

Use nearest stairwell to first floor and exit building. Take personal belongings such as coats and purses. Do not run but do not hesitate. Move as far away from the building as possible so as to avoid danger from falling glass or debris and so not to interfere with firemen, rescue workers, etc.

NEWARK PUBL'C LIBRARY

DEC 16 1982

U. S. GOVT. PUBS.
DEPOSITORY 376

Employees will be assisted by members of the Facilities Self Protection (Warden) Organization who are posted in corridors, stairway entrances, exits, etc. They are identified by a red badge. Their instructions should be followed.

Elevators and escalators should not be used except by the fire department, members of the Wardens Organization, or by handicapped or injured persons accompanied by a fireman or a warden.

REPORTING DIRECTORY CHANGES

Submit changes and corrections to the Division of Administrative Services, HDS, Room 340G, HHH Bldg.

In the back of the telephone directory you will find copies of HHS 91. This form is used for making telephone directory changes. If the information appearing in this telephone directory is incorrect please contact your administrative officer.

PERSONAL CALLS

Government telephones are provided FOR OFFICIAL USE ONLY AND ARE NOT TO BE USED FOR MAKING PERSONAL CALLS. Use public telephones for personal calls.

TIPS FOR BETTER TELEPHONE SERVICE

1. Government telephones are extremely busy in the afternoon between 2 p.m. and 5 p.m. Try to schedule important calls at other times during the day.

2. If you obtain information from an operator, record this information for future reference.

3. If the party you are calling is busy, leave your name and number and have the party return your call rather than "HOLD" the line. This will free the equipment for other calls.

4. Discourage prolonged conversations to relieve busy network conditions.

5. Attempt to answer all calls on the first ring. Give priority to the long-distance caller.

6. Do not use the commercial long-distance network. These calls greatly increase your agency's bill. Use the Federal Telemunication System (FTS) and save the taxpayer's money.

7. When an 800 number will reach call destination, call 9+800+number (a free call) as opposed to using FTS which cost $.28 per minute.

SOLICITING, VENDING AND DEBT COLLECTION

Solicting alms and contributions, commercial soliciting and vending of all kinds, displaying or distributing commercial advertising, or collecting private debts in or on GSA controlled property is prohibited. This includes the distribution of materials such as pamphlets, handbills, flyers, catalogs, etc., by Departmental employees to co-workers for the sale of various commercial products to fellow employees.
